REMARKS

I. Claim Status

Claims 1-3 and 10-17 are currently pending and stand rejected.

Claims 4-9 are herein cancelled.

Claims 10-15 and 17 were previously withdrawn from consideration, in response to the Restriction Requirement dated October 26, 2007, as being drawn to non-elected subject matter.

Thus, claims 1-3 and 16 remain to be examined on the merits.

Docket No.: 03702/0205073-US0 Application No. 10/596,827

Amendment dated June 26, 2008

Reply to Non-Final Office Action of March 14, 2008

Claims 2 and 3 are objected to as being dependent on an objected-to claim. With the

amendment to claim 1, claims 2 and 3 should be allowable.

Applicants respectfully request reconsideration and withdrawal of this rejection.

III. **Claim Rejections**

35 U.S.C. § 112, First Paragraph

Claim 16 stands rejected as failing to comply with the enablement requirement. The

Examiner contends that no enablement can be found in the Specification as filed for the treatment of

any and all cancers. Applicants respectfully traverse.

Without conceding the correctness of the Examiner's position or the need for amendment, the

term "cancer" has been deleted without prejudice or disclaimer, and replaced with a non-limiting

listing of specific cancers which find support at Table 5. Applicants thus respectfully request

reconsideration and withdrawal of this rejection.
